- > The credits from your community college transcripts will typically be evaluated within 3 weeks of confirming your acceptance to attend Northeastern.
- > All courses you completed with a grade of C or better can earn you transfer credit toward your major or toward your electives, depending on the course.

“

Having Northeastern's name on my resumé, even as a current student, has helped me obtain my current job at Boston Children's Hospital. I am thankful to have chosen Northeastern and for all the help and resources that the university provides.”

– Sara Benmoha,  
BS, Finance and Accounting Management

## Application Process and Admission Requirements

Northeastern's College of Professional Studies makes the transfer process simple. To be admitted to one of our bachelor's completion programs, simply provide:

- > A completed online application: [northeastern.edu/cps-applynow](https://northeastern.edu/cps-applynow)
- > One of the following:
  - > Official college transcripts demonstrating completion of an AA/AS degree, or that you are registered and enrolled in your last academic term pending completion of your degree, or completion of at least 60 semester course credits/90 quarter credits. All transcripts must reflect a minimum cumulative GPA of at least 2.5/4.0.
    - \*Note: If you have attended multiple colleges, please send along ALL of the official transcripts. Even if they are shown all on one transcript, we will need each individual transcript for each college attended. This will ensure the most transferrable credits.
    - \*\*Students without conferred associate degrees and/or less than 60 credits are also eligible for Northeastern's bachelor's completion programs. Please visit our website for more details. [northeastern.edu/bachelors-completion/transfer-students/](https://northeastern.edu/bachelors-completion/transfer-students/)
  - > Official English Language Proficiency scores for students whose primary language is not English. These are required ONLY if you have not completed your AA/AS degree or two years of study (60 credits) at a U.S. institution.

## Life at Northeastern

Northeastern University is a top-tier institution and is nationally ranked for co-op/internships in the United States. Through more than 3,350 employer partnerships, Northeastern has built its reputation as a world leader for experience-driven learning, helping our students meet their career aspirations.

The university is located in the heart of Boston, and with convenient public transportation, including a Northeastern train stop, students can live in any one of the many nearby residential areas. Boston is also a dynamic economic area. It's considered one of the world's great cities for learning, with more than 150,000 of its residents studying at nearby universities and colleges.
